WORK EXPERIENCE:

COMPUTER TEACHER

AT, LEADER ACADEMY

MULTAN ROAD LAHORE, NEAR BAHRIA TOWN LAHORE.

Taught students the fundamentals of HTML, CSS, JavaScript, Adobe Photoshop, Adobe Illustrator, and MS Office. Guided students through practical projects, helped improve their technical and creative skills, and created an engaging learning environment focused on modern digital tools and basic web development.

PROJECTS:

- Created responsive websites using HTML, CSS, JavaScript, and React.
- Designed logos, posters, and social media posts in Photoshop and Illustrator.
- Built UI/UX designs and modern web layouts.
- Created 3D designs and animations in Blender.
- Developed basic Python projects and GUI applications.
